

## The Good News is For All People!

In North America, Maureen was in deep pain. Her marriage of 38 years had recently ended. Her husband had been unfaithful, and she did not know where to turn.

Thankfully, she was not alone. Through ReFrame's Family Fire ministry, she learned that God had not left her. A women's support group on Facebook led by Family Fire staff also helped her see that God's people were there in her time of need.

Thank you for answering God's call to share the good news here in North America.

**In Burkina Faso, West Africa,** Mariam was in deep pain. Her marriage of 28 years was crumbling. Her husband had been unfaithful, and she did not know where to turn.

Thankfully, she was not alone. Through ReFrame's French ministry partners, she found a radio program. She learned that God had not left her. Radio producers and follow-up staff in her area helped her see that that God's people were there in her time of need.
