CHRISTIAN REFORMED
WORLD RELIEF COMMITTEE

Living Justice, Loving Mercy

**Food prices
are going up.
So will the
struggle to
survive.**

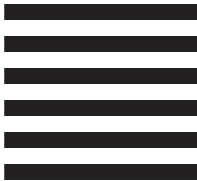

They call it a "global" food crisis, but it's a crisis felt most by the world's poor: One billion people living on less than \$1 a day will spend as much as 90 per cent of their income on food, as prices for staples like rice, and corn continue to rise. All that money spent on food leaves little left for education — without which breaking away from poverty becomes almost impossible.

Become a Free A Family® supporter: For just \$20 a month you'll help provide job skills, literacy classes, agricultural training, and small business loans that can increase a family's income that keeps food on the table, children in school, and families together. Every penny counts now more than ever.

When you become a Free A Family® supporter you will receive quarterly updates on a representative family in one of six regions where CRWRC works: Choose to assist families in East South Africa, West Africa, Latin America, or Asia and restore hope — a hope that shares Christ's light with the poor.
