

**“As each has received a gift, use it to serve one another,
as good stewards of God’s varied grace.”**

1 Peter 4:10

In many areas of the United States, families have been living their day-to-day far from normal. Many of them lost their homes due to damage from hurricanes Harvey, Maria, and Irma that hit the Southern US in fall 2017. Others are still trying to recover from the destruction caused by Hurricane Matthew in 2016 and wildfires and flooding in 2017. World Renew DRS has connected with local and national organizations to respond to long-term needs.

For South Carolina resident Renee and her uncle, the support received from World Renew DRS volunteer groups working on their home has been life changing. Their home was damaged during hurricane Matthew and for nearly two years, they have had to live in unstable conditions. The work done on their home made an impact on their faith and outlook on their future.

“The team has prayed with us, and we’ve shared personal stories. My uncle and I feel privileged to have met such amazing people,”

said Renee. World Renew Disaster Response Services (DRS) serves disaster survivors with God’s love and grace. We work together with you, combining gifts, prayers, and financial support to make a difference for those who are rebuilding their lives and community.

Over the last year, communities like Renee’s across North America have been recovering from fires, tornadoes, floods, and hurricanes. With your support, World Renew DRS volunteers have served generously in response to their needs, providing assessments, construction estimates, home repairs, and more.

You can continue to make a major impact in the name of Christ. Will you consider giving generously on World Renew DRS Sunday to support disaster survivors across North America? Your gift makes it possible for people who have experienced a disaster to encounter God’s grace.
