Thank you.

“Each of you should use whatever gift you have received to serve others, as faithful stewards of God’s grace in its various forms.” —1 Peter 4:10

Ever since several congregations joined in 1857 and decided that they could do more together than they could on their own, ministry shares have been a crucial part of the denomination we call the Christian Reformed Church in North America.

On the one hand, ministry shares are a symbol of our covenant relationship. While each of us may not be in need of all of the services of the CRCNA all of the time, **ministry shares make it possible for any congregation, of any size, to access the support they need, whenever they need it, without having to worry about costs.** They are one way that we, as the body of Christ, show our commitment to each other.

On the other hand, ministry shares are also a way that we fulfill the Great Commission. **Our pooled resources mean that we can extend the gospel around the world,** train up the next generation of pastors and missionaries, and even provide scholarships to students attending Reformed undergraduate institutions. These are things that we couldn’t do as well, or as much of, if we were each working independently.

Thank you for your participation in this covenant program!
