

God's Story for the World

In India, Christian materials can't be sent by mail due to government restrictions. Instead, volunteers like Hiramani partner with you to share the gospel.

After Hiramani's sister shared some worship songs from ReFrame's Hindi ministry team, Hiramani's life changed forever.

As she grew in her faith, Hiramani knew she couldn't keep this good news to herself. Today she's one of our most enthusiastic volunteers in India. Hiramani joyfully shares copies of the print devotionals and other materials with her friends and loved ones. She even helps raise some of the funds for the printing costs!

The Christian Reformed Church's media ministry may have a new name, but that won't change the way we share the gospel with Hiramani.
