

SHARING FAITH STORIES

Sharing stories of God at work is one of the best ways to grow in faith together! Here are five great questions to ask at home, in youth groups, and at other gatherings to get the faith storytelling started.

- Where did you see God at work today?
- How do you know God is real?
- What Bible person do you relate to the most?
- Tell about a time when God felt especially close to you.
- What life experience(s) affected your faith the most?
