Finding Your Story in the Psalms

Kevin Adams

Sung, whispered, shouted, and groaned by Muslims and Jews, Protestants and Catholics, Bob Marley and J.S. Bach, the psalms express the faith of a thousand generations. People have used psalms to voice their deepest anguish and delight, to comfort others, to express emotions they hardly dare to admit.

In this book Adams shares stories of unlikely psalm pray-ers and the unpredictable God, opening up the honest and earthy world of the psalms in new and unexpected ways. And he invites us to find our own story within that community of faith.

Beginning with the idea that Christ came that we might have life to the full, Vanderwell uses his own experiences as a stepping stone to reflect on the adventure of a life well lived.

Topics include Heart Health, Formation, Worship, Living Deeply, Praying the Psalms, When It's Cloudy, The Seasons of Life, and Healthy Habits for Daily Living.
